

## **MCE Ships Smallest, Lightest Auto/Air Combo Adapter for PowerBook G4 and iBooks**

**IRVINE, CA, October 20, 2005** – MCE Technologies, LLC (MCE) has begun shipment of their new Auto and Airline Combo Adapter compatible with all PowerBook G4, iBook G4, and white iBook G3 systems. The MCE Auto/Air Combo Adapter has a retail price of \$49.95 and is available immediately.

“With it’s ultra-compact design and weighing in at only five ounces, our new Auto/Air Combo Adapter is the smallest and lightest auto and airline adapter of its kind making it extremely portable and convenient for travel,” stated Arnold Ramirez, president of MCE.

The white MCE Auto/Air Combo Adapter provides up to 72 Watts of power making it compatible with the full line of PowerBook G4 models as well as all iBook G4 and white iBook G3 systems. The adapter features a unique design in that the automobile cigarette lighter plug can be removed as needed, exposing an EmPower plug beneath that is compatible with EmPower sockets on many major airlines.

The MCE Auto/Air Combo Adapter measures only 0.8” by 1.7” by 3.7” and weighs in at only 5 ounces. The adapter has an overall cord length of 4.5 feet.

The MCE Auto/Air Combo Adapter has a suggested retail price of \$49.95 and is covered by a one year warranty. More information can be found online at <http://www.mcetech.com/products.html>.
